

Call for Nominations: "DISTINGUISHED ACHIEVEMENT AWARD"

Dear Members,

Once yearly, each chapter in the Association of Certified Fraud Examiners (ACFE) has the opportunity to nominate two deserving individuals either from within the Chapter or outside the Chapter for the Distinguished Achievement Award.

This award is reserved for those individuals who have excelled in the profession of preventing, deterring, investigating or prosecuting white collar crime. The nominees can be from the public sector or the private sector. They can include law enforcement investigators, government investigators, private investigators, security and loss prevention professionals, fraud consultants, academics and prosecuting attorneys.

The award is a certificate signed by the members of the Board of Regents of the ACFE and is encased in a beautiful wood frame. It is a very prestigious award and one that can be proudly displayed in recognition of the recipient's achievements in the field of fraud examination.

Nominations must include the nominee's name and their employer's name, address and phone number as well as any professional designations. The nomination must include a detailed narrative outlining the reasons for nomination as well as any special achievements or recognition in support of the nomination.

All of the nominations must be forwarded to John Incampo, Chapter Scholarship & Awards Director. The nominations can be faxed to John at 303.566.8000 (please include a cover sheet) or they can be emailed to him as an attachment at John.Incampo@furniturerow.com.

Nominations must be forwarded to John by Friday, December 26, 2008.

Once the nominations are received they will be reviewed and forwarded to the ACFE. The nominations must be received by the ACFE by the end of the business day on December 31, 2008. Thank you.

Sincerely,
